LABOUR MORE TRUSTED ON DEFENCE THAN THE TORIES!

Poll reveals voters now associate Conservatives with cutting military spending, not increasing it

**DON'T LEAVE
BRITAIN
DEFENCELESS**

VOTERS no longer view the Tories as the party of defence, a damning poll reveals.

In a shot across the Prime Minister's bow, Labour is trusted more than his party on national security and defence, the survey for the Mail found.

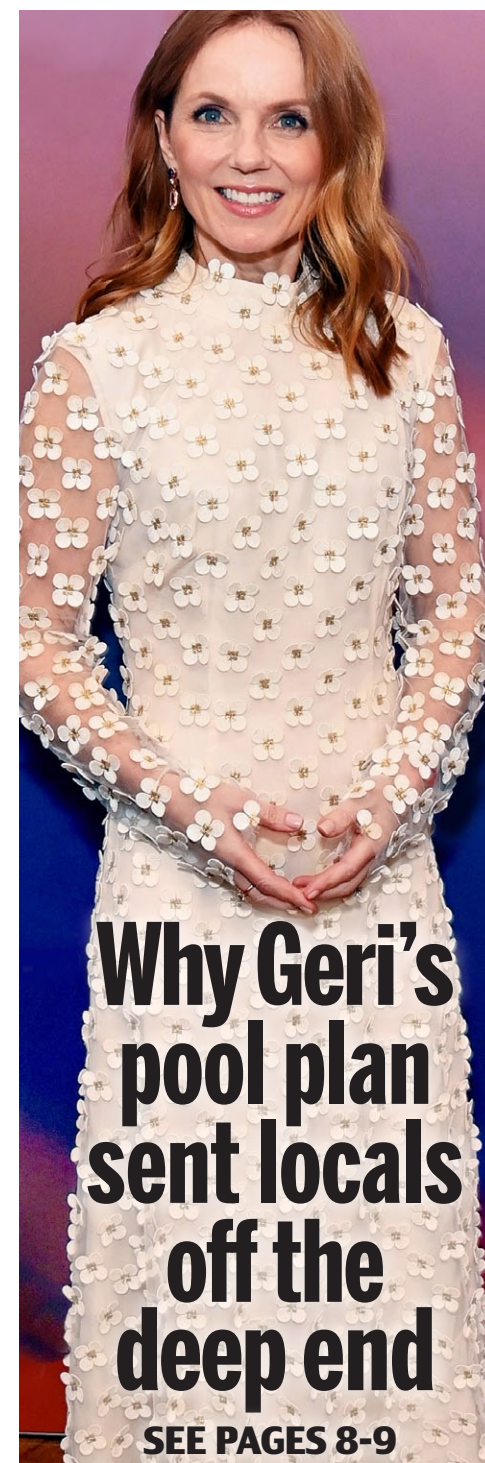

And more people now associate the

Tories with cutting defence spending rather than increasing it after years of the military being 'hollowed out'.

The dire findings will rock Downing Street as they are a far cry from a decade
