WILD WEST STREETS

BRITAIN'S 12-YEAR-OLD MACHETE MURDERERS

Two boys become youngest to be convicted of murder since the Bulger killers after horrific unprovoked attack on an innocent teenager

TWO 12-year-old boys yesterday became Britain's youngest convicted murderers since James Bulger's killers.

The schoolboys – who killed an innocent teenager with a 16-inch machete in an unprovoked attack

in a park – cannot be named because of their age.

They are the youngest defendants convicted of murder in the UK since Robert Thompson and Jon Venables, then both 11, were found guilty in 1993 of killing two-year-old James.

Family members of victim Shawn

Seesahai, 19, wept as the guilty verdicts were delivered at Nottingham Crown Court yesterday following a four-week trial.

The boys – who were allowed to play with fidget-spinner toys while giving evidence – are expected to be sentenced next month. The court heard that one of the 12-year-olds had an
