Dramatic warning from borders watchdog

'HUNDREDS OF HIGH-RISK FLIGHTS' LAND IN UK UNCHECKED

'HIGH-RISK' aircraft are landing in Britain without security checks in a major new immigration scandal, the Mail can reveal today.

The borders watchdog warned of 'dangerous' failings at a

prominent London airport which potentially allowed thousands of passengers to evade passport controls.

Home Office data provided to

Independent Chief Inspector of Borders and Immigration, David Neal, showed the UK Border Force failed to check the occupants of hundreds of private jets arriving at just one airport last year.

The debacle means gangsters, illegal immigrants, trafficking victims and even extremists may have
