Just 48 hours after Starmer insisted his £28billion-a-year green policy was 'desperately needed', he ditches it...

# CAN YOU EVER BELIEVE A WORD SIR U-TURN SAYS?

By **Jason Groves** Political Editor

**KEIR** Starmer was facing a credibility crisis last night after ditching the central plank of his economic policy.

Just 48 hours after saying it was desperately needed, he confirmed

the commitment to splash out £28billion a year on green projects had been 'stood down'.

The policy flip-flop triggered a backlash, with Labour MPs warning
