— SHOCKING LABOUR HYPOCRISY —

Liz Kendall, who axed £300 payment to pensioners, lives in £4m Notting Hill home with her banker partner. And guess what...

WINTER FUEL MINISTER'S HEATING BILL IS PAID BY YOU

THE CABINET Minister who axed pensioners' winter fuel payments has her own £350-a-month energy bills paid by the taxpayer – while she lives in a £4million London mansion.

Liz Kendall has been branded a hypocrite for removing the payment for ten million pensioners while bills at her second home are being met from the public purse. The Work and Pensions Secretary's main base

is a four-bedroom property in Notting Hill, West London, which she shares with her partner, an Old Etonian investment banker. But she is allowed to claim costs

for the second property she rents in her Leicester West constituency

The most recent documents held by the Commons show she claimed a total of £3,810 in energy costs between April 2023 and July this year, with the largest monthly bills totalling £352. Ms Kendall's decision to axe the annual winter fuel pay-
