As the nation marks first anniversary of his Coronation, public say King is doing a great job and praise openness over cancer

# JUST WHAT THE DOCTOR ORDERED... POLL BOOST FOR CHARLES

THE King receives a major vote of confidence today, with the news that the majority of Britons believe he is doing a good job.

A landmark poll to mark the first anniversary of Charles's Coronation also shows a strong increase in support for the

Monarch in the past 12 months. The survey, conducted for The Mail on Sunday, also shows a clear majority of the public want to keep the monarchy, with only

around a quarter wanting a republic. In further good news, the survey shows the approval ratings of all members of the Royal Family have risen since last year – except for Meghan, whose
