SCOBIE BOOK PULLED FOR NAMING 'ROYAL RACIST' BY MISTAKE

Letters: Prince Harry and wife Meghan

Sales halted in Holland after Dutch version appears to identify family member who allegedly asked about Archie's skin colour

OMID Scobie's book on the monarchy was pulled from sale in the Netherlands yesterday after it apparently named the 'royal racist'.

The author's Dutch publishers said they had been ordered by US bosses to put sales 'on hold' at the eleventh hour.

Thousands of copies of *Endgame*, which was published globally yesterday to withering reviews for its vin-

dictiveness toward the Royal Family, face being pulped.

In the English-language edition Scobie does not name the royal accused by Meghan of expressing 'concern' about the skin colour of her future son Archie.

But the book alleges that in her letters to discuss the situation the duchess claims similar remarks were made by a second person in the Royal Household. In the English version, Scobie says he knows
