LETBY IS QUIZZED IN JAIL OVER MORE BABY DEATHS

DETECTIVES have interviewed Lucy Letby in prison over the alleged murders of more babies.

The killer nurse was quizzed

By **Richard Marsden** and **Liz Hull**

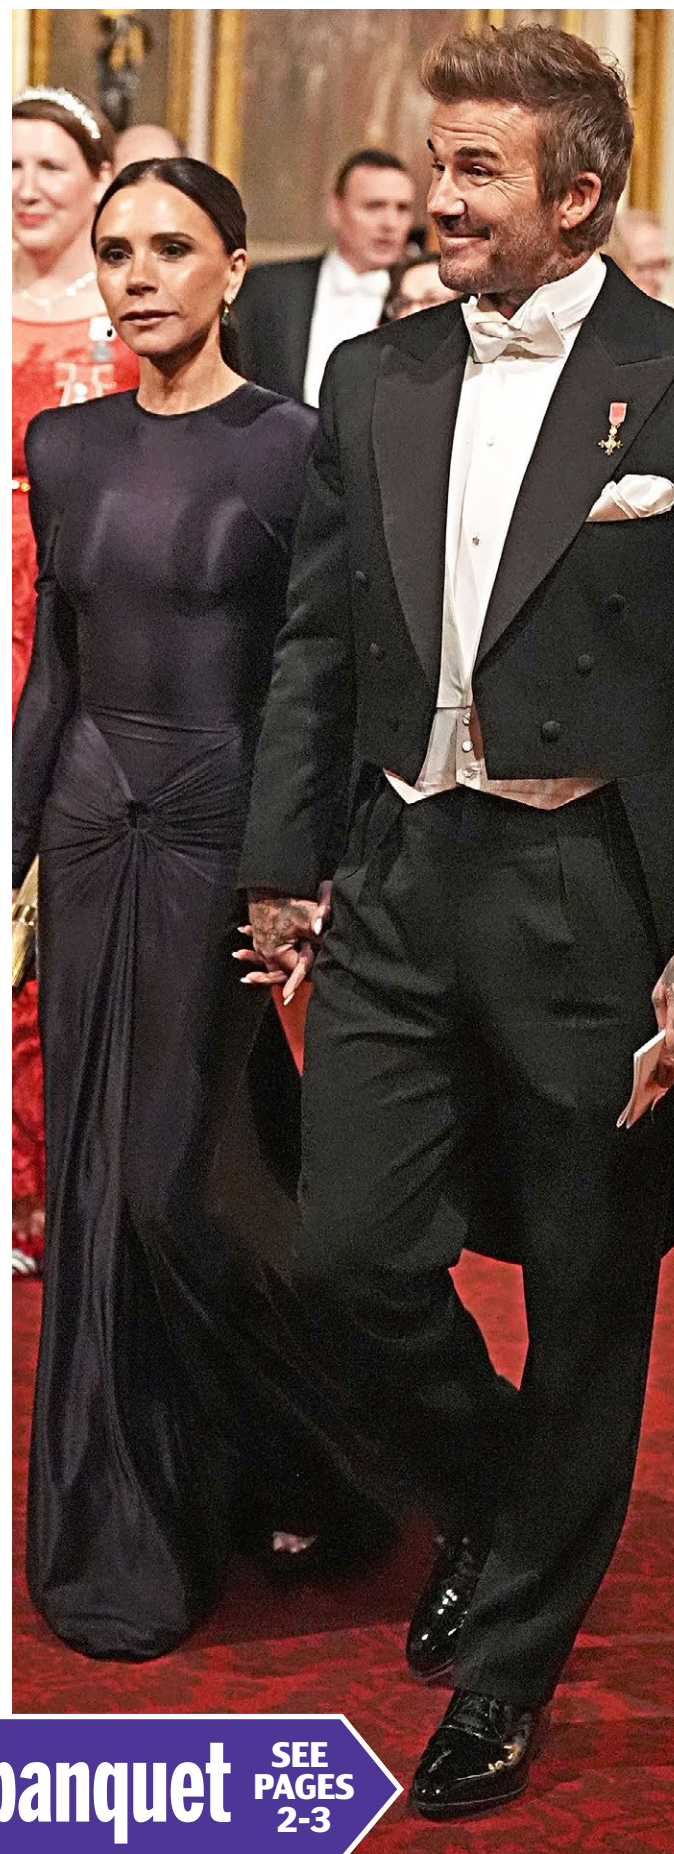

under caution over unexpected deaths and collapses of infants at the Countess of Chester Hospital.

And she was also questioned –

for what is believed to be the first time – about cases at Liverpool Women's Hospital, where she trained as a student.

The 34-year-old former neo-natal nurse is already serving a rare whole-life sentence for murdering
