LABOUR PLOTS A TAX RAID ON YOUR HOLIDAYS

And income tax thresholds to be frozen for longer

By **David Churchill**
Chief Political Correspondent

MILLIONS of families face a tax raid on their holidays as part of Rachel Reeves's Budget cash grab.

As it emerged yesterday that the Chancellor is planning to freeze income tax thresholds for longer, inflation-busting hikes in Air Passenger Duty – a stealth levy on air fares known as the 'holiday tax' – are also set to be announced in the upcoming measures.

Treasury officials have demanded economic performance data from the Department for Transport about the travel industry, assessing the impact of increasing APD and whether the industry can shoulder such rises.

Above-inflation hikes will see ticket prices go up and could collectively increase the cost
