Piers Morgan faces backlash after going public with identities published in author's Dutch edition

OUTRAGE AS ROYALS IN SCOBIE BOOK RACE ROW NAMED ON TV

TWO royals named in Omid Scobie's book as raising 'concerns' over Prince Archie's skin colour were identified on UK television last night.

They were revealed by Piers

Morgan on his Talk TV show and he followed the claim up by posting it to his 8.7million social media followers.

On Tuesday it emerged that a Dutch translation of Scobie's book contain-

ing the names had gone on sale in the Netherlands. Its publisher was forced to withdraw and pulp copies amid much-mocked claims that it was an error in translation.

The two senior royals had not been publicly named here until Morgan's move last night. The presenter tried
