## RAYNER: I'LL QUIT IF I AM FOUND GUILTY

But she won't go now — despite  
telling Tories they should resign

ANGELA Rayner last night promised to resign if a police probe into her past living arrangements finds she broke the law.

Labour's deputy leader found herself under pressure yesterday when

By **David Churchill**, **James Tozer** and **Martin Beckford**

Greater Manchester Police launched an investigation into claims she may have broken electoral law.

The former union shop steward was accused of 'double standards' for failing
