'MISOGYNIST' SCHOOLBOYS FACE TERROR UNIT PROBES

TEENAGE boys face investigation by anti-terrorism officers if they make sexist remarks in the classroom, The Mail on Sunday can reveal.

Home Office officials want teachers to report misogynistic comments to the government's Prevent programme, which was set up to combat Islamic extremists. Even comments about a 'woman's place being in

the kitchen' could be enough to spark a referral to the unit, sources said last night. Critics say the move would dilute Prevent's work in deradicalising potential ter-

rorists at a time of huge global tensions. The plan – which would place sexism on a par with Islamic extremism – was discussed in high-level meetings between Home Office and Prevent experts in recent weeks.

The Home Office wants to widen the Prevent programme to combat growing
