Estranged princes both attend uncle's service
but witnesses say they appeared to stay apart

WILLIAM AND HARRY 'DIDN'T SHARE A WORD' AT MEMORIAL

WILLIAM and Harry's attendance at a memorial this week is not thought to herald a reconciliation after they

By **Rebecca English** Royal Editor

apparently left without talking to each other.

The estranged brothers had family members between them

as they departed the tiny church where the private service for their uncle took place.

Witnesses say they did not see them speaking at a reception afterwards. The princes' joint appearance at
