Oxford don's transgender daughter picked victim at random – and was then betrayed by her escort lover who called in the police

# VILE CAT KILLER WHO WENT ON TO MURDER

**A SADISTIC cat killer is facing life behind bars for murdering a stranger as part of a warped sexual fantasy.**

Scarlet Blake, 26, targeted Jorge Martin Carreno, 30, as he

walked home alone from a night out in Oxford in July 2021.

She led him to a secluded riverbank before hitting him on the head with a vodka bottle, strangling him and pushing him into the water to

drown. Blake, who is transgender, had a fixation with murder and killed for her 'sexual gratification', according to prosecutors.

The murder came four months after she filmed herself mutilating and dissecting a neighbour's cat before putting its body in a blender
