As PM faces string of questions over use of Lord Alli's luxury London flat...

STARMER, THE £18M PENTHOUSE AND EXCUSES THAT JUST DON'T ADD UP

SIR Keir Starmer was last night facing mounting questions over his use of a peer's £18million penthouse.

his premiership intensified as he tried to justify £20,000-worth of stays in the flat of Labour donor Lord Alli.

He was later accused of 'hood-

winking' the public after it emerged he used the same Covent Garden flat, dressed to look like his own home, to record a video urging the public to stay at home during the Covid pandemic.

And it emerged last night
