More humiliation for embattled Prince  
as newly released legal papers reveal...

# COURT TOLD GHISLAINE: FIND EMAILS ON 'ANDREW' AND 'SEX TOY'

PRINCE ANDREW was last night facing more humiliation after it was revealed that sex trafficker Ghislaine Maxwell was ordered to search her phone, computer and thousands of emails for his name along with the words 'sex toy' and 'erotic'.

Explosive court documents reveal how,

following an order from a US court, Maxwell's lawyers were instructed to scour all her electronic devices for any mention

of the Prince, other acquaintances of paedophile Jeffrey Epstein and a string of sordid words. These included 'Prince', 'Andrew', 'Duke', 'York', 'Royal', 'underage', 'massage', 'slave', 'sex', 'nipple' and 'dildo', according to the devastating legal papers.

Details of the hugely embarrassing search
