ZELENSKY: FARAGE IS INFECTED WITH 'VIRUS OF PUTIN'

Ukraine leader's fury after Reform chief blames West for war – as we expose party's pro-Kremlin backer

By **Glen Owen** and **Daisy Graham-Brown**

OUTRAGE over Nigel Farage's claim that the West was to blame for Russia's invasion of Ukraine deepened last night with President Zelensky's office accusing him of being infected by the 'virus of Putinism'.

The extraordinary intervention adds force to the growing backlash against the Reform leader's claim that EU and Nato expansion had given Vladimir Putin a reason to justify war.

Meanwhile, The Mail on Sunday today reveals that one of Farage's most prominent supporters has repeatedly called for closer ties with the Kremlin.

Jonathan Mappin – who this weekend hosted a Reform rally where candidates were 'all cheering' Farage's controversial
