As police reveal torture-obsessed 15-year-old murderers had 'a thirst for killing', their victim's heartbroken mum and dad say...

# WHAT THEY DID TO OUR BEAUTIFUL BRIANNA WILL HAUNT US FOR EVER

**THE** parents of a transgender girl knifed to death by two 'warped' teenagers said the terror of their child's final moments would haunt them for ever.

As the torture-obsessed duo

were convicted of murdering Brianna Ghey, 16, her parents were struggling to comprehend how two children from stable families could have carried out the savage killing.

One, a girl then aged 15, was

fascinated by serial killers including Dr Harold Shipman and Californian 'Night Stalker' Richard Ramirez, filling pages of notebooks with jottings about their methods and characters.

Along with her male friend, a highly intelligent but socially awkward 15-year-old, she drew
