WORLD EXCLUSIVE

REVEALED: Woman Diana's brother says molested him at boarding school – and her years as an NHS nurse

As the Mail columnist's wife vows family won't lose hope of finding him alive after their 'longest and most unbearable days'...

DIVERS HUNT FOR MISSING DR MOSLEY IN CAVE CALLED 'THE ABYSS'

RESCUE teams desperately hunting for missing Mail columnist Dr Michael Mosley are focusing their search on a dangerous cave complex known as The Abyss.

Their efforts in the network of caverns and 'endless' underwater tunnels, yesterday found no trace of the TV

From **Nick Pisa** and **Ian Gallagher**

ON GREEK ISLAND OF SYMI

medic, but his wife has vowed the family will 'not lose hope' of finding him.

Speaking yesterday for the first time since her husband's mysterious disappearance, Clare Bailey spoke power-

fully of the 'longest and most unbearable days for myself and my children'.

Greek police yesterday released new CCTV footage of Dr Mosley taken on Wednesday afternoon, the day he vanished on the island of Symi. He was, carrying an umbrella to protect himself
