HOW DID KATE PHOTO BECOME A PR DISASTER?

Princess issues extraordinary mea culpa after picture she edited helped fuel wild conspiracy theories about her health

By **Rebecca English**
Royal Editor

THE Princess of Wales issued an extraordinary mea culpa yesterday after admitting she 'edited' an image showing her celebrating Mother's Day with her children.

In a rare personal message on Twitter, signed 'C' for Catherine, the future queen said she 'occasionally experimented' as an 'amateur photographer'.

And she apologised for any 'confusion' the photograph had caused. It came after six global picture agencies sensationally pulled the image from their wires and libraries – an unprecedented reaction to an official royal photograph – amid concern that 'the source has manipulated the image'.

There were questions over everything from why Princess Charlotte's wrist did not match the sleeve of her cardigan, to Prince Louis'

Questions: The Prince and Princess of Wales are driven from Windsor Castle after Kate's apology
