BORIS: I'M NOW CONVINCED THAT COVID WAS MADE IN A CHINESE LAB

Shattering the conspiracy of silence over the origins of the pandemic, former PM rejects theory it started in Wuhan market – and angrily points the finger at Beijing

EXCLUSIVE

By **Glen Owen** POLITICAL EDITOR

BORIS Johnson believes the Covid pandemic started with a leak from a Chinese laboratory – and not from animal-to-human transmission in a Wuhan market.

In the latest revelation from his sensational new memoir, *Unleashed*, he abandons the claim
