As national revulsion over Post Office scandal mounts, former boss **STILL** clings to her CBE and Lib Dem leader **REFUSES** to step aside

RISHI Sunak last night weighed in behind efforts to strip former Post Office chief Paula Vennells of her CBE.

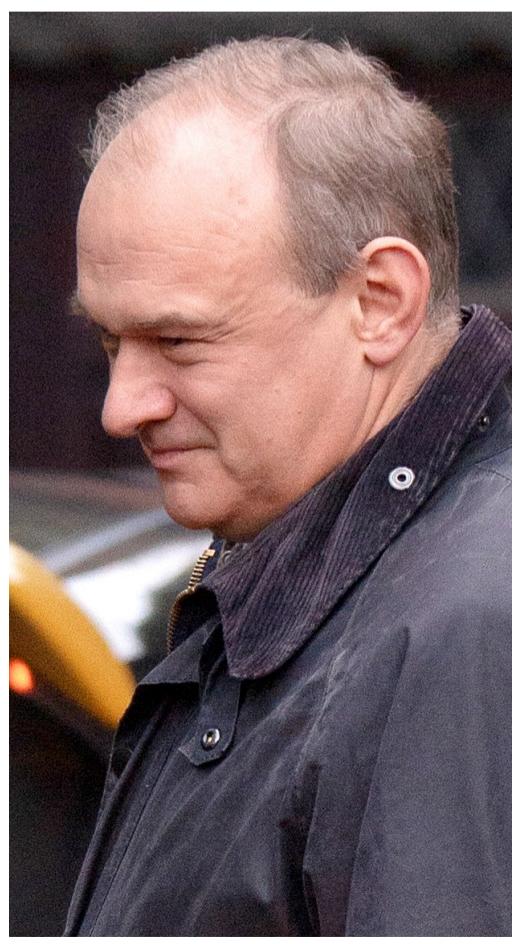

Downing Street said he would 'strongly support' an investigation by the honours forfeiture committee into

By Jason Groves, Martin Beckford and Claire Ellicott

whether Mrs Vennells should lose the gong awarded for 'services to the Post Office and to charity'.

By last night more than a million people had signed a petition addressed to the panel's chairman,
