down waiting lists, nearly 1,700 fat-cat bureaucrats at NHS trusts were each handed more than £100,000 a year. With record sums already being

poured in by taxpayers, the first-ever NHS Rich List found that 512 managers banked salaries higher than Sir Keir Starmer (£172,153). Nearly 300 received packages of £200,000 or more.

East Cheshire NHS Trust paid eight managers £100,000 or more
