BOMBHELL NEW EVIDENCE

● Unearthed papers show nurse was off duty for third of cases

● And expert says his research was misused in court to convict her

POLICE FILE RAISES NEW DOUBT OVER LETBY GUILT

FRESH doubts were raised about the conviction of 'killer' nurse Lucy Letby last night, with the bombshell revelation of police notes suggesting the jury was misled over key evidence.

The documents raise serious questions over the courtroom claim that Letby was the common link between all the suspicious incidents involving babies at the Chester hospital where she worked. And the dra-

matic development comes as an expert cited by the prosecution prepares to go public to say his research was misrepre-

sented in court. A growing number of experts have voiced fears about the evidence against the nurse, who is serving 15 life sentences after being found guilty of murdering seven babies and trying to kill seven more at the Countess of Chester Hospital between 2015 and 2016.

An appeal has been rejected but former
