ANOTHER TYPHOON BATTERS PHILIPPINES

■ Typhoon Fung-wong slammed into the Philippines' eastern seaboard yesterday after killing at least two people and forcing more than a million to evacuate their homes. The storm, with a radius spanning nearly the whole of the Philippines, made landfall in Aurora province on the main island of Luzon, just days after Typhoon Kalmaegi killed 224 people.

Dubai's economy recorded strong and sustained growth in the second quarter of 2025, with gross domestic product (GDP) expanding 4.7 per cent to Dh122 billion, driven by continued momentum across key sectors including trade, transport, tourism, and financial services. The solid Q2 performance boosted growth in first half, with GDP rising 4.4 per cent year-on-year to reach Dh241 billion.

Economic strength

Shaikh Hamdan Bin Mohammad Bin Rashid Al Maktoum, Crown Prince of Dubai, Deputy Prime Minister and Minister of Defence of the UAE, and Chairman of Dubai Executive Council, said the results highlight the emirate's economic strength and its success in fostering innovation and diversification. "Dubai's economic performance reflects the vision of His Highness Shaikh Mohammad Bin Rashid Al Maktoum, Vice-

plined execution of strategies, and the emirate's ability to turn global challenges into new possibilities for progress. Further, the high GDP growth in the first half of the year reaffirms the progress of the Dubai Economic Agenda, D33, which continues to translate our vision into measurable results. As we look ahead, we remain committed to advancing initiatives and forging partnerships that further strengthen Dubai's position as a leading global economic hub."

Highest growth rate

The human health and social work activities sector achieved the highest growth rate in both Q2 and H1, expanding 20 per cent in H1 to reach Dh3.3 billion, contributing 1.4 per cent to total GDP. In Q2, it grew by 12.8 per cent to Dh1.4 billion, compared to Dh1.2 billion in the same period of 2024. The construction sector maintained a remarkable growth, with a value added of Dh16 billion in H1 2025, contributing 6.7 per cent to GDP and recording 8.5 per cent growth year-on-year. In Q2, the sector grew by 14.9 per cent, contributing 6.2 per cent to GDP.
