Music, TV, film and publishing bosses back major Mail campaign to stop Labour letting U.S. AI giants plunder their work for free

# DON'T LET BIG TECH STEAL UK'S CREATIVE GENIUS

**Daily Mail CAMPAIGN**

**Our creative genius leads the world  
DON'T LET BIG TECH STEAL IT**

By **Andy Jehring** and **Paul Revoir**

SENIOR figures from the worlds of music, media and film last night backed a major new Daily Mail campaign to protect Britain's creative industries from the threat of AI.

They issued a stark warning over the potentially devastating impact of the Labour Government's plans to allow Big
