Revealed: Shocking cost to good causes
of Chancellor's National Insurance raid

'THE GRINCH' REEVES STEALS 45% OF YOUR DONATIONS, SAY CHARITIES

RACHEL Reeves was dubbed the Christmas Grinch last night as it was revealed that her Budget tax grab means 45 pence in every pound donated to charity will now effectively go to the Government.

The Chancellor's National Insurance raid will add an extra £1.4 billion to wage bills in the already struggling voluntary

sector, forcing bosses to decide whether to lay off staff or axe vital services.
Exclusive analysis by The Mail on Sun-

day shows that following Ms Reeves' hikes, charities will hand over a total of £6.3 billion in National Insurance payments to HMRC next year – which is equivalent to 45 per cent of the £13.9 billion donated by the public.

Shadow Paymaster General Richard Holden called the Chancellor 'a modern-day
