# Trump tells Starmer how to see off Farage

By **Jason Groves**  
Political Editor

**DONALD** Trump yesterday told Keir Starmer to cut taxes and stop the boats if he wants to defeat Nigel Farage.

The US President offered Sir Keir his 'simple' formula for defeating the Reform leader – now riding high in the polls – at an extraordinary joint press conference in Scotland.

But he warned it would mean cutting taxes, which Labour has raised to the highest level in modern history. And he said Labour would have to cut Britain's 'ruinous' immigration, including ending

Turn to Page 6

**It ain't rocket science: cut taxes and 'ruinous' immigration. One problem: the Labour leader is a world expert in doing the exact opposite**
