NEW YORK'S HOMETOWN NEWSPAPER

DEFENDING HIS DOG

**Tells News how fingers lopped off,
3 reattached, in Bx. machete horror**

Rakeem Young recovers in Bellevue Hospital Sunday and FaceTimes with his pit bull, Chanel (inset), two days after he says another dog owner threatened his pooch and then attacked Young with a machete, slicing off his fingers, three of which were reattached in a 13-hour operation.
