'INDUSTRIAL SECTOR KEY TO DIVERSIFICATION'

President, Vice-President praise efforts to achieve nation's goals

ABU DHABI
Gulf News Report

President His Highness Sheikh Mohamed Bin Zayed Al Nahyan visited the fifth edition of Make it in the Emirates 2026, held at the Abu Dhabi National Exhibition Centre (Adnec).

During the tour, the President reviewed the latest innovations, products, and initiatives aimed at enhancing the competitiveness and readiness of national industries across a range of vital sectors, as well as the use of technology to advance local production.

Stating that the industrial sector remains a key pillar supporting and diversifying the national economy, Sheikh Mohamed Bin Zayed affirmed that strengthening its role is a strategic priority for the UAE as part of its vision to empower national industries, foster an enabling environment for innovation and investment in future industries, and create opportunities for Emirati talent.

The President also commended the high level of participation in the event, which reflects the progress of the UAE's industrial sector and its competitive strengths.

■ Sheikh Mohamed Bin Zayed Al Nahyan greets Sheikh Mohammed Bin Rashid Al Maktoum during Make it in the Emirates 2026, at the Abu Dhabi National Exhibition Centre (Adnec).

Mohamed Bin Zayed met His Highness Sheikh Mohammed Bin Rashid Al Maktoum, Vice-President and Prime Minister of the UAE and Ruler of Dubai.

Sheikh Mohammed Bin Rashid said that the industrial sector is a

key strategic pillar supporting the country's drive to diversify its national economy. He praised the sustained efforts to achieve the goals of the National Strategy for Industry and Advanced Technology, and underscored the

important role of effective public and private sector partnerships in strengthening the UAE's industrial base.

The Vice-President commended the Make it in the Emirates initiative for bringing to-

gether local and international stakeholders and fostering collaboration to advance future focused solutions, particularly in advanced technology, artificial intelligence, and life sciences.

Role of national institutions

He also highlighted the role of national institutions and Emirati talent in strengthening the UAE's industrial competitiveness, noting that the UAE does not wait for the future but shapes it through the ideas and efforts of its people and ambitious institutions, and that investing in people and empowering national talent with advanced skills and technologies is the path to a more sustainable and distinguished future.

The Vice-President praised the progress of UAE industries and their competitiveness, expressing confidence in further strengthening the global presence of Made in the Emirates.

More than 1,245 companies are exhibiting across 12 industrial sectors in the fifth edition, which features new procurement opportunities aimed at localising around 5,000 products in the UAE, with SMEs accounting for 61 per cent of total participants.
