New Letby bombshell: Chief prosecution witness's vile rant at campaigner who questioned his evidence

'YOU'RE TURNED ON BY LUCY LETBY IN HER UNIFORM'

EXCLUSIVE

By **Glen Owen**

POLITICAL EDITOR

THE expert witness whose evidence helped to convict Lucy Letby is at the centre of an extraordinary row after claiming that the nurse's supporters were motivated by a sexual attraction to 'pretty young blonde females'.

The bizarre outburst by Dr Dewi Evans, 75, the prosecution's chief expert witness, comes amid mounting doubts about the reliability of the evidence used to convict Letby of killing seven babies and attempting to murder seven more at the Countess of Chester Hospital.

The retired paediatrician launched his tirade earlier this month against a statistical expert
