HOYLE HANDED LOBBYIST PASS FOR COMMONS

EXCLUSIVE

By **David Churchill** in London
and **Neil Sears** in Gibraltar

LINDSAY Hoyle was last night embroiled in a new row after recruiting a former lobbyist who gave him several all-expenses-paid junkets.

The Commons Speaker appointed Albert Poggio as an adviser and gave him a parliamentary pass, allowing him access to Commons libraries, bars and restaurants and the highest-ranking politicians and officials in Westminster.

While Gibraltar's representative in London, Mr Poggio, 79, arranged several trips for Sir Lindsay and other MPs to 'the Rock'.

It comes amid deepening questions about the Speaker's other foreign jaunts, which have left taxpayers to pick up a £250,000 bill
