PM accused of betraying historic 2016 vote to leave EU as 100-strong Whitehall unit is launched to tie Britain back to Brussels

STARMER'S 'SURRENDER SQUAD' TO UNDO BREXIT

SIR KEIR Starmer was last night accused of forming an EU 'surrender squad' to reverse Brexit.

An all-powerful team of more than 100 civil servants is being assembled to run the UK's negotiations with Brussels – with insiders claiming its purpose is to negate the historic 2016 vote to leave the EU.

Last night, critics warned that the Prime

Minister was on the brink of jettisoning the freedoms and opportunities of Brexit to permanently lash the UK to an EU

superstate, and return us to the role of rule-taker rather than rule-maker.

Ahead of any talks for closer UK-EU trade ties, Brussels is expected to demand freedom of movement for young people, an acceptance of EU laws and the continued right for the European nations to fish
