U.S. v. Alon Alexander, Oren Alexander, and Tal Alexander

Alon Alexander Oren Alexander Tal Alexander

The indictment alleges that between at least 2010 through at least 2021, the Alexander Brothers worked together and with others to repeatedly and violently drug, sexually assault, and rape dozens of female victims.

Manhattan U.S. Attorney Damian Williams describes long-running sex abuse and trafficking allegedly carried out by brothers Alon, Oren and Tal Alexander (on poster), who face a long list of charges.
