KEMI BLASTS LABOUR'S YEAR OF LIES AND FAILURE

Tory leader lambasts Starmer's record on the economy and migration after 12 dire months

KEMI Badenoch today accuses Keir Starmer of a 'year of lies and U-turns' which have left Britain poorer and less secure. As the Prime Minister marks

EXCLUSIVE

his first anniversary in power, the Tory leader says he has 'taken a wrecking ball to the economy'

and presided over a record surge in Channel crossings.

Sir Keir yesterday said he was 'as proud as hell' of Labour's first year in office, despite a series of setbacks which have seen his party plummet
