LANDMARK SUPREME COURT RULING

HISTORIC VICTORY FOR WOMEN... AND COMMON SENSE

As judges rule that women ARE defined by biological sex, will Labour finally act to protect their rights?

By **Sam Merriman** and **Harriet Line**

LABOUR was under intense pressure to protect single-sex spaces last night following a landmark ruling that transgender women are not legally women.

Women's rights groups and MPs celebrated the 'victory for common sense' and called on the Government to ensure that activist managers and civil servants abided by the ruling. It
