TYPHOON KILLS 26 IN THE PHILIPPINES

Piled-up cars washed away by floods at the height of Typhoon Kalmaegi in a subdivision of Cebu City in the central Philippines yesterday. Residents sought refuge on rooftops and cars floated through flooded streets as the powerful typhoon battered the central Philippines, leaving at least 26 people dead and displacing hundreds of thousands.

Dubai announces Dh300,000 prize pool for best home gardens

Reward for sustainable, innovative, visually appealing home gardens

DUBAI

BY SURABHI VASUNDHARADEVI
Social Media Reporter

Ten winning entries showcasing sustainable, innovative, and visually appealing home gardens will be rewarded with a total prize pool of Dh300,000 as part of the community agriculture competition under the theme 'The Most Beautiful Sustainable Home Garden in Dubai', launched by Dubai Municipality.

The competition encourages residents to transform their private gardens into eco-conscious green spaces, reflecting modern landscaping practices while promoting sustainability. It aligns with Dubai Municipality's ongoing efforts to expand the city's green cover, raise environmental awareness, and integrate sustainable agricultural practices into daily life, supporting the broader vision of Dubai as a global model for liveable and environmentally responsible cities under the Dubai Urban Master Plan 2040.

To support participants, Dubai Municipality will host workshops, awareness programmes, and provide digital guidance to help residents design sustainable home gardens. The initiative emphasises the use of innovative technologies and efficient water and energy management, encouraging eco-friendly practices within homes and residential communities.

Record visitors affirm Dubai's tourism appeal

SAFETY, SEAMLESS CONNECTIVITY, EVOLVING TOURISM OFFERINGS KEY

LONDON

BY ASHFAQ AHMED
Managing Editor

Dubai is reaffirming its position as one of the world's top year-round destinations, supported by record visitor numbers, expanding source markets, and strong investment in accessibility, wellness, and sustainable travel.

At the World Travel Market (WTM) London 2025, Shahab Shayan, Regional Director at the Dubai Corporation for Tourism and Commerce Marketing (DCTCM), said the city continues to attract travellers for its "safety, seamless connectivity, and evolving tourism offerings that appeal to both new and repeat visitors."

"Dubai is truly a year-round city as every month offers something new, from major global events to home-grown festivals like Dubai Fitness Challenge, Dubai Shopping Festival, and Dubai Summer Surprises," he said. "Our calendar ensures there's always a reason to visit."

High hotel occupancy

Dubai welcomed 18.7 million overnight visitors in 2024, up 9 per cent from the previous year, and 12.5 million between January and August 2025, a 5 per cent increase year-on-year. Average hotel occupancy stood at 78 per cent, among the highest globally.

source market, followed by the UK, Saudi Arabia, Oman, and Russia, while Western Europe accounts for 21 per cent of arrivals. "India continues to lead as our top market, but we're also seeing strong performance from the UK and growth from new and emerging markets," Shayan said.

Dubai Tourism operates in over 80 markets with 3,000 trade partnerships, expanding into Vietnam, Turkey, Eastern Europe, and Africa. "The tourism landscape is evolving, and Dubai's strategy focuses on diversification and innovation," he added.

Repeat visitation remains high, with one in four tourists returning within a year, reflecting Dubai's reputation for safety and hospitality. "Safety and peace of mind are top priorities for global travellers today. Dubai ranks among the world's top four safest cities," Shayan said.

He added: "WTM gives us a global platform to showcase Dubai's evolving story — a destination that offers value, inclusivity, innovation, and world-class hospitality all year round."
