BRITISH DAD 'SPYING FOR CHINA' SEIZED IN FBI STING

**WORLD
EXCLUSIVE**

From **Caroline Graham**
IN LOS ANGELES

A **BRITISH** businessman has been sensationally accused of spying for China and plotting to smuggle sensitive military technology to Beijing.

John Miller, 63, was arrested on the orders of the FBI following a sting operation and is now awaiting extradition to the United States. Court documents seen by The Mail on Sun-

day show that Mr Miller referred to Chinese leader Xi Jinping as 'The Boss' in intercepted phone calls.

The FBI said this demonstrated his 'awareness that he was acting at the direction and control of the [Chinese] government'. Last
