Kemi: It's time to get off our knees and start fighting for Western values

Tory leader accuses Starmer of being cowed by a Left-wing mob

KEMI Badenoch declared war on 'poisonous' woke ideology and the Left's 'useful idiots' as she yesterday warned that the fabric of Western civilisation must be defended.

The Tory leader launched a staunch defence of free speech, free markets and the rule of law and said the current generation of conservatives 'must lead the world back from the precipice'.

She rallied centre-Right figures from across the globe to fight for Western values or risk political extinction. She insisted that they were the 'guardians' of such values – but warned that many had forgotten how to stand up to progressive bullying.

In a direct reference to the Prime Minister taking the knee to support the Black Lives Matter movement in 2020, Mrs Badenoch said anyone in favour of classical liberalism must 'get up off our knees and start fighting' for the West.

She said: 'We will have to decide between the true but hard way that needs tough decisions and bravery, or whether we have more slogans
