Now Elon Musk wades into Badenoch's feud with Reform as she confronts GB News boss

KEMI'S FURY AT TV CHIEFS 'FAVOURING' NIGEL FARAGE

KEMI Badenoch's unprecedented feud with Nigel Farage escalated last night over claims she urged the head of a television station to cut the air-time given to the Reform UK leader.

The Tory leader is said to have accused GB News of giving too much of a platform to her critics and raised the spectre of regulatory action. The revelation comes amid

the row over Mr Farage's claim that his party has more members than the Tories, which Mrs Badenoch has branded fake. Sources told The Mail on Sunday that the

broadcaster's chief executive Angelos Frangopoulos was called in to Westminster before Christmas for a chat with Mrs Badenoch – but during the meeting she made it clear GB News should not be 'a haven for my critics'.

Mr Farage has a primetime show on the Right-wing channel, which also airs other
