NEW YORK'S ELECTION NEWSPAPER

Pedophile Jeffrey Epstein with then-pal Donald Trump at Mar-a-Lago in 1997. Democrats on Monday released copy of letter (inset) purportedly written by Trump from an album collected for Epstein's 50th birthday in 2003. The president and the White House have slammed the note as a fake.

'CERTAIN THINGS IN COMMON'

Dems release suggestive birthday letter to Epstein purportedly from Don; W. House sez again it's fake
